DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

None of the prior art teaches the first and second shift start signals are signals having the same phase, nor does the prior art teach a shift generation circuit generates the second reference shift clock by dividing the frequency of the reference clock, and generates the first reference shift clock which has a pulse in a first-stage capture period for capturing the first shift start signal into the first shift register and has a phase which is a reverse of a phase of the second reference shift clock in a data capture period after the first-stage capture period has elapsed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
